GOVERNOR'S MESSAGE

Fellow Lions,

Well the end is near and with it a start of a new era with Lion Tucker. This has been a long year, but we can not rest on our laurels and need to continue to work for a better life for those in need. Now, the rest of the story.

Honoring those that came before us. I just returned from a Memorial Day Service and it causes a reflection on our Lions. One of the tough things is saying goodbye to those closest to us. May was hard for me with four great servants of our community passing into the Lions Pride beyond the stars. Denbigh lost two great lions in PCC Joe Brown who was a calming presence in the District and Lion Jim Adams who was a hard working member of the EGRC, Middlesex lost a Charter Member, and Poquoson lost a dear friend and Patriot. There have been many more, actually 26 during the Lions year and these included personal friends, Charter members, and some of our hardest working Lions. Hopefully June will be a quiet month.

State Convention. The MD24 State Convention in Roanoke was informative and a little fun. Here are the highlights from my perspective. **LCI 3rd Vice President.** PID Wayne Davis received overwhelming endorsement from MD 24 (254-11-1) for the position of LCI 3rd Vice President. His campaign will take place over the next year and the voting will take place at the 2017 International Convention in Chicago. The PTCV will be selling pins to raise funds for his campaign and other fund raisers will be planned. **Election results.** We have a new slate of immediate officers in the district being led by DGe Tucker Casanova (58-1-1), 1VDGe Beth Stevens (60-0-0) and 2VDGe Jeff Gaddis (57-2-1). Please join me in wishing them the best of luck in the new year. **Redistricting Proposal.** There was a lot of confusion in balloting of the proposed redistricting. It was announced that the vote failed to achieve a 2/3rd favorable vote (154-110-2), but it appears that only a majority vote was required. Three Districts voted not to approve the plan to merge into three districts, 24-B (14-17-0), 24-D (1-58-1), and 24-F (7-14-0). We are awaiting word from LCI Legal. If the vote stands as announced we can expect a new Council of Governors to start a new redistricting plan. **2019 and 2020 State Convention.** District 24-D has been officially awarded the State Convention for both 2019 and 2020. This will be a less expensive option for the state with less expensive room rates, meal rates and no parking fees. **Membership Awards.** Two of our clubs were awarded membership awards for their work during the year. Tappahannock Lions Club was recognized for adding 15 new members and chartering a new club, King William County Children First Lions Club. James City Lions Club was also recognized for adding 17 new members during the year. Honorable mentions went to Northumberland County (9 new members), Windsor (9 new members), Southside (7 new members), Cape Charles (6 new members), and VB Town Center Blind (6 new members).

Membership. Speaking of membership, the District currently stands at 1,473 members, which is an increase of 34 from the beginning of the year. The clubs have done a wonderful job of not only bringing in new members, but retaining those that we have. There is no magic wand or formula for membership, but individual hard work and a dedication to keep things light & relevant. Thank you to all those that have done so much.

Membership Awards. April marked the one year anniversary of the Centennial Membership program. Sponsors of new members added in April 2015 should be receiving an award after the new member reaches 1 year and a day in Lions.

Centennial of Service. We are so close to meeting our COS goals of all clubs reporting at least two COS Projects. A total of 48 clubs have reported completing at least two projects and five have reported at least one. Less than a month remains and we are so close. Donations of \$2 per club member is all it takes to complete some projects and the simple act of collecting eyeglasses or non-perishable food covers other projects. Virtually every club does eye screening, pays for an eye exam, or purchases eyeglasses for those less fortunate. Please finish off those projects and report them to LCI. We are so close and yet so far.

I hope to see many of you at the final District meeting where we will celebrate the year and pass the gavel to the new officers of the District. Please support DGe Tucker in the coming year, schedule his official visit early, and assist him in meeting his service, membership, and personal goals during his year.

The Bull is almost gone.
Yours in Lionism,
DG Ray

Tucker Casanova

1st Vice District Governor

Hello Lions!

Wow! What a few months it's been. This is an exciting time for not just me coming in as your new District Governor, but for our District itself and LIONS as a whole. I'm sure DG Ray will go into more detail regarding the redistricting as most of us left Roanoke with more questions than answers. ... Time will tell what path we will take as a Multiple District. I shared with you all many times how I felt about the proposal and that hasn't changed, but you should know, whatever the eventual outcome, I will do everything in my power to support our district regardless of its shape or size.

That said, now is the time for optimism! This was a growth year for 24-D! We've been more active in the past 12 months than I've seen in quite some time. More visual too! We have a lot of irons in the fire and projects in the works and believe it or not people want to know! I recently made friends with a great guy, you may know him, his name is Andre Senior. He's an anchor for WVEC 13 News. If you're watching ABC between 4:30 and 7 you've seen him at the desk. We got to talking about work, and he was fascinated by what the LIONS have done for the people we serve, particularly the SPOT program and Lions Medical Eye Bank. He told me to let him know if we have a project or event coming up and if he can, he'd recommend it be covered by the news. So, if you have something coming up let me know and I'll pass it along to Andre.

A few more things before I go:

Calendar- I'm including the next few months of my calendar in this issue. These will include the names of some cities... As many of you know one of my most important jobs at the LMEB is to educate the staff at the hospitals all over the district. If you see your city in bold on my calendar I'll be there that day. If I'm in your neck of the woods and your club is meeting and you'd like my Official Visit to take place I'll move Heaven and Earth to make it work. The way the nurse's shifts operate allows me a little wiggle room as they are too busy the hour before and after change of shift... a little logistics on our part and we may be able to parlay that loophole into a meeting! Since the oncoming staff is there until 7 AM I have plenty of time to get back and give them the attention they deserve as well. Speaking of my Calendar...

First District Meeting- **Sunday August 7th**. I apologize if that seems late to most of you but it just couldn't be helped... Between availability of the room, my being out of the state a few of those weekends and RAM; this was the best option. It will be in the **Brickhouse Auditorium** in **Sentara Norfolk General Hospital, Second Floor of the Raleigh Building**, immediately opposite the Raleigh Garage where I am arranging parking. Lion Ray and I are setting up to make this one of the *shortest* First District meetings in memory. Hopefully, that will make up for the delay.

I'm going to wrap this up as it's pushing 3 AM on Wednesday morning, despite how excited I am I should try to get some sleep. This is a BIG year for us and I'm going to need my rest. Before I hit the hay I wanted to conclude by saying I can't tell you how much I am looking forward to this year and living this wonderful opportunity you've given me to the fullest. Just know, I am ALWAYS available. If you EVER need ANYTHING please contact me right away ;)

It's an exciting time to be a LION and I am honored I get to spend it with you as District Governor.

Yours in Lionism

Yours in Family,

Lion Tucker Casanova DGe District 24-D

Strive to Thrive

We did it! June marks the end of another Lions' year. Now is the time to evaluate where your club stands – did your club just survive or did your club thrive? Numerous clubs were extremely successful this year conducting meaningful service projects, mentoring others to increase their leadership skills and growing the club's membership. All the thriving clubs have one thing in common: they planned for success. Club leaders set tangible goals; communicating objectives clearly to the entire membership. The membership believed in the plans so much that they actively took steps to achieve the goals together. Congratulations to all the clubs who achieved their dreams this year. Newly elected officers should strive to thrive in 2016 – 2017 by hosting club planning retreats in June. Conducting the Club Quality Initiative (Club Excellence Process or CEP) is a fun, interactive process that brings members together to look at what your club is today and what it will be tomorrow. It gives you the tools to strengthen service, improve club effectiveness and enhance your membership experience. There are two versions of the program: CEP Lite or CEP Pro. If you have experienced Lion facilitators within your club, CEP Lite is designed for you. If your members would prefer to have an outside facilitator conduct the process, CEP Pro is the way to go. Our District GLT, Lion Chet, GMT, Lion Mack, or I would be happy to help your club with the planning process. Just contact me if you'd like us to schedule a CEP Pro workshop this summer. To learn more about improving both your club and the community check out [Club Excellence Process](#) for more information and program materials.

On a personal note, I was thrilled to be elected your 1st Vice District Governor during our State Convention. I sincerely appreciate everyone's belief in my ability to serve the Lions of District 24D. Thanks to PCC Lion Stan Furman and Lion Mary Durbin for making wonderful nominating speeches. A special heartfelt thanks to my husband, Lion Mack and all the wonderful members of the Town Center –Blind Lions Club for their ongoing support of my leadership journey. I wouldn't be able to walk this path without all of you at my side. Together, We Serve.

April 14, 2016

Dear Lion's Club Members,

This is a very belated thank you to your organization for holding your *Sight Preservation, Awareness, and Action* event at our Day School this past November. We were pleased to be able to offer this invaluable service to our Day School community.

You should know that through your efforts, several of our children who were referred for additional examinations did need glasses and are now experiencing much improved vision. For one little girl in particular, her improved vision has been life changing. No one was aware of just how severe her vision problems were, and since receiving prescription glasses, this once very quiet and shy child has blossomed into a happy and very outgoing little girl who now "sees" her world in a new and exciting way. This is due to your organization's dedication to children and their well-being.

Let me say that I was also impressed with the professional manner in which your organization's members conducted themselves. They were most cooperative and considerate of our Day School staff and the children. It is my sincere hope that you will choose to hold similar events at our Day School in the future.

Thank you again for your time and talents given to our children. We are most grateful.

Sincerely,

The Rev. John M. Eidam
St. Peter's Day School Director
